

# COME, THOU LONG EXPECTED JESUS

Charles Wesley / Renee Giaccone

1.           E               B               A   E  
Come, thou long expected Jesus,  
E       B               A   B  
Born to set thy people free  
E       B               A   E  
From our fears and sins release us,  
E       B               E   C#m   B   E  
Let us find our rest in thee.

2.   Tears and sorrow soon shall leave us  
Peace and joy shall take their place  
Rest and comfort will relieve us  
Death will make his home the grave

- CH   E           C#m   E  
Oh sweet Je-----sus  
          C#m               E  
Come and take your bride away  
          C#m               E  
For she groans with expectation  
          B               A       C#m  
And awaits that glorious day  
          B               A       E  
Yes, we await that glorious day

3.   Hope of Heaven, when you meet us  
Every tear wipe from our eyes  
Through perfect justice wrought in Jesus  
Every wrong will be set right
4.   One day every eye will see you  
Even those who pierced you through  
On that day we shall be like you  
Savior, come and make us new
