INTRO: E | C#m | E | C#m

1. **Compassionate and gracious is the Lord**
 This is our God, this is our God
 Slow to anger and abounding in love
 This is our God, this is our God
- Oh I will bless the Lord with all that's in my soul
 All that is within me bless His holy name
 Oh I will bless the Lord and always will recall
 His steadfast love to me, I'll praise His name
2. **He does not treat us as our sins deserve**
 This is our God, this is our God
 Forgiving all the guilt our sins incurred
 This is our God, this is our God
- Oh, I will sing the praise of Yahweh's unrelenting grace
 All that is within me bless His holy name
 The death I should have died is overcome by Jesus Christ
 And He is worthy of the highest praise
