LIVE THE STORY

The Gospel is intended to be learned and lived in community. The following questions are designed for use in our Community Groups as an aid to growth in the Gospel and Community.

- How does John describe the people who are going to Jesus to be baptized? How does he describe Jesus? (See 3:27-36.)
- In light of what John the Baptist says in 3:22-36, why do you think Jesus had to leave Judea in 4:1 and go to Samaria? (Consider how, if at all, 2:4 and 4:23 may inform this answer.)
- What promise does Jesus make to the woman at the well? What does her request in 4:15 mean in regard to this? How does Jesus fulfill this promise? Does he make the same promise to us today?
- How does the Samaritan woman provide an example of evangelism to those who know you? Can you apply this in your own life?
- Does the idea of “living water” have any previous reference in scripture? If so, how might it inform what Jesus is saying in John 4?
- What does it mean to worship in spirit and truth?
- Does this account of Jesus meeting a woman at the well have any OT parallels? How might those inform our expectations in this account?
